Picture 1 & 2 shows work in progress on phase 2. Following an informal meeting of owners around phase 2 it was agreed to purchase new plants to give more colour to the communal areas. Many thanks to everyone who helped with this work. A proposal for a new layout of the grassed area on phase 2 has been sketched out and placed on the notice board for comment.

Picture 3: Our very own " lady of the lamps" snapped once again hard at work with gold paint.

Picture 4 & 5 shows before and after the garden of house No. 1 was cleaned up. Many thanks for the assistance of the selling agent in resolving this matter.
